

## Communications Team

*“Light in a messenger’s eyes brings joy to the heart, and good news gives health to the bones.”  
Proverbs 15: 30*

**Team Leader:** Pam Sharp

**Contact:** office@chedokechurch.ca

The **primary goal** of the Communications Team is to provide accurate information about the exciting ministry of our Church to all.

**Action Steps:** We will make use of all of the avenues of communication available, to share information as needed.

We will refine our communication - both in process and presentation - to be timely, efficient and effective.

We will encourage one another to seek out and read all the communications regarding the life and work of Chedoke, and to respond and engage in the work of the Lord.

We will gently but firmly communicate with our neighbours, share our hope, faith and love in the Lord, and invite them to join us.

By communicating clearly, the **Communications Team** will make an impact on the life and ministry of Chedoke Church.
