

Vision Team

"Where there is no vision, the people perish." Proverbs 29:18

Team leader: Lynda Pollock

Contact: visionteam@chedokechurch.ca

Our **goal** is to ensure that Chedoke Church remains a healthy, growing congregation, responsive to the call of God.

Action steps:

We **recognize** the need to build upon our success at remaining relevant, not only to our own members, but also to the broader community.

The Vision Team understands that we need to **focus** even more on the greatest source of our future growth, and that is those who have no current church affiliation.

To reach those who do not have a church affiliation, we need to **inspire and equip** our members to effectively share their faith with others.

The **Vision Team** seeks to optimize each of these important steps (Connect, Grow, Impact) to lead people to a growing relationship with Christ and the worship of God in all and through all.
